

## A NOTE FROM LOAVES & FISHES / FRIENDSHIP TRAYS

During the season of Advent, we are encouraged to slow down, reflect and wait for the greatest gift, the gift of Immanuel – God with us.

This Christmas Eve, your gift will show, in a very tangible way, that God is with us. With neighbors who are struggling to make ends meet, a mother who worries where her child's next meal will come from, or a senior whose highlight of the day is the delivery of a warm meal and a friendly face.

Your gift to Loaves & Fishes / Friendship Trays provides not only that warm meal or a week's worth of nutritious groceries, but also dignity, hope, and friendship.

What better way to share the story that God is with us?!

From all of us at Loaves & Fishes / Friendship Trays, thank you and Merry Christmas!
